MANUP GODS WAY

MEN'S MINISTRY

ABOUT MANUP

MAN UP! GODS WAY was founded in an effort to call “lukewarm” Christian men to stop being “spiritual sissies” and start living up to the challenge that God has laid out before us in His holy Word.

Too many men in the church are living a disobedient life by being “lukewarm”. The consequences, for living this way, are extreme. Look at what Jesus says *“So because you are lukewarm, and neither hot nor cold, I will spit you out of My mouth”*. (Rev 3:16) Neither hot nor cold, is what many Christian men have become.

In an effort to change the direction of Christian men, MAN UP! GODS WAY is challenging the manhood of these men. MAN UP doesn't believe that being a man means you can chew through steel or bend iron, but that being a man means we will be disciplined in our relationship with Christ, in our marriage, as a father, in our service at church, at work, in accountability to one another and in discipleship.

It's time, time to MAN UP!

MISSION STATEMENT

MAN UP! GODS WAY is dedicated to changing the way Christian men live and act. We want to change Christian men from being complacent, lazy, and disobedient to God's word. With Jesus Christ as our example, we will strive to teach men to be more Christ-like every day.

ABOUT THE FOUNDER AND AUTHOR

Jody Burkeen is the founder and president of MAN UP! GODS WAY Ministries. This ministry was birthed out of a desire to change the way Christian men “do” Christianity.

Jody's self-described "Damascus Road Transformation" led him on a journey to search the Scripture to find what he had been missing his whole life, which was Jesus Christ. In this journey, the Word of God took over in a way he never expected. While searching for men in the church to help him in his walk, he found very little help. What he did find was men that needed the same kind of help he did.

Through MAN UP! GODS WAY Ministry it is Jody's hope that he can challenge men to live a separated life on fire for God.

The book, MANUP– Becoming a Godly Man in an Ungodly World, is the story of Jody's walk with Christ and the lessons God has taught him to becoming a godly man.

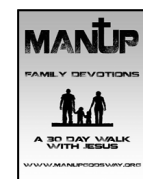

In his story, Jody talks candidly about the life he lived as a “spiritual-sissy” and the steps he took to leave behind that life and become the man God intended him to be.
